SUMMARY OF INSPECTIONS

Special inspectors are licensed by and work under the direction of various city and county building authorities. Services billed at 4- and 8-hour minimums, with a 2-hour charge for cancellations. This field report presents a summary of the observations and/or testing performed by a certified inspector. The inspector's work does not include supervision or direction of the actual work of the contractor, its employees, or agents. The contractor should be informed that neither the presence of the inspector or the observation and/or testing by the inspector shall excuse it in any way of defects or non-compliant issues discovered in its work.

The work inspected Did ☐ Did not ☐ meet the requirements of the approved project documents.
